## SUSTAINABLE HOSTING POLICY

### Prométhéa Voyages is committed to promoting sustainable accommodation

At Prométhéa Voyages, **sustainability is essential in organizing our tours**. That is why we evaluate the most sustainable accommodation provider options for our clients.

In our efforts to select the most sustainable accommodation operators available, we give priority to those that follow these key principles:

- ❖ **Good value for money**
- ❖ **Fair business practices**
- ❖ **Minimizing environmental and social impacts**

Prométhéa Voyages evaluates its partner accommodation companies according to the following criteria:

- ❖ **Care for people** : respectful working conditions (salary, working hours, breaks, etc.)
- ❖ **Plastic-free policy**: reusable dishes , refills , etc.
- ❖ **Waste management**: sorting of organic and plastic waste at least
- ❖ **Energy efficiency**: use of low energy appliances
- ❖ **Rational use of water**: water-saving systems (shower, toilets, etc.)
- ❖ **Child protection**: children's rights are strictly respected
- ❖ **Local supplies**: purchasing local food products, from fair trade agriculture, in accordance with the principles of sustainability
- ❖ **Respect of biodiversity**: respect for local and global biodiversity
- ❖ **Authentic charm**: integration of architectural elements and local cultural heritage
- ❖ **Community values**: respect and support for the intellectual property rights of local communities

### We actively encourage enhanced sustainable practices

- ❖ Prométhéa Voyages **exchanges** with its accommodation managers about **good practices and areas for improvement**.
- ❖ We share standards and guidance, including information on sustainable certifications to which we can give them access.
- ❖ **As part of our commitment to better environmentally friendly practices, wildlife and living beings, we follow a strict policy:**  
**Prométhéa Voyages will terminate the contract if the supplier fails to take appropriate measures to prevent the sexual exploitation of children; and if they do not follow the principles of sustainability, even after having been warned by us.**
